DANIEL RAMSAUER

Front End Developer

📞 289 939 2629   @ danramsauer@gmail.com   🔗 https://github.com/DanRamsauer/   📍 Oshawa, ON

SUMMARY

I am a Front End Developer with a background in tattooing and construction. I use my creativity, alongside my attention to detail and my enthusiasm for collaboration and teamwork, in order to design and build user-friendly and appealing applications.

EDUCATION

Web Development Bootcamp

Juno College   📅 2022

Electrical Techniques

Fleming College   📅 2017

EXPERIENCE

Tattoo Artist

Black Heart Tattoos   📅 2017 - 2021   📍 Whitby, ON

- Consulted with 10+ clients weekly and 25% repeat clients to understand their vision and desires for their dream tattoo
- Worked closely with a team of 4 tattoo professionals, kept up 100% satisfaction
- Provided clients with a detailed outline prior to applying the tattoo

Contractor

Ramsauer Renovations   📅 2021 - 2022   📍 Whitby, ON

- Doubled company revenue from 2021 to 2022
- Designed and built 10 basements averaging $50,000 per project
- Renovated over 20 houses and 5 apartments

HOBBIES

🏋 Working Out   🎮 Video Games

🎲 Board Games

INDUSTRY SKILLS

HTML5   CSS3   SCSS   JavaScript

jQuery   React   Git   Github   APIs

Accessibility   Responsive Design

STRENGTHS

⌛ **Time Management**
Great at managing time and getting projects finished before the deadlines.

🤝 **Collaboration**
Exceptional at adapting to a wide range of people and being open to different attitudes, values, and personalities.

🧠 **Adaptation**
Exceptional at applying new skills, and adjusting to changes and different environments

💡 **Innovative**
Exceptional at being receptive and flexible to different ideas, perspectives, and changing demands.

PROJECTS

Currency Converter

This is an app built using paired programming that takes an API and gets an array of currencies. It then allows the user to select between them and input an amount to see the exchange rate.
